

STATEHOUSE Online Summary

- Beginning in 2000 committee meetings & floor debates were webcast live via RealAudio
- Meetings and debates were made available on-demand
- In 2010 the transition from RealMedia to .mp3 improved citizens ability to listen live and on-demand
- In 2015 we webcast live and archived about 24 hours of audio every day – the need to go where the people are and provide the ability to listen anywhere, anytime.
